7. REGARDING CLOSURE OF BEEF MARKET, PORK MARKET AND MUTTON MARKET, BELGAUM CANTONMENT.

The stall holders of Beef Market, Belgaum Cantonment vide their joint representation cited under reference has submitted that the occupancy rights in respect of Beef Market, Mutton Market and Pork Market are due to expire on 31-08-2020. But till date they have not received any updates on the subject matter.

Further they have submitted that the butchers and registered stall holders' family are depending on this business. Due to COVID-19 pandemic, the entire nation was call out for lockdown for which their financial condition is badly affected. The occupancy rights in respect of above mentioned markets have been allotted to various stall holders for a period of one year w.e.f. 01-09-2019 to 31-08-2020. 8. REGARDING TERMINATION OF LEASE HOLD RIGHTS IN RESPECT OF BEEF OFFAL MARKET, BELGAUM CANTONMENT

The lease hold rights in respect of Beef Offal Market, Belgaum Cantonment has been granted to one Shri Abdul Rehman A. Bepari vide CBR No. 9 dated 22-10-2019 for a period of 5 years w.e.f. 04-12-2019 to 03-12-2024. The lease agreement has been executed on 30-01-2020. The present monthly fees of the said market is Rs. 2000/- and the lessee has paid the monthly fees upto the period ending 29-02-2020.

In compliance of the Karnataka State Pollution Control Board (KSPCB) letter No.PCB/EO.BGV-1/SCN/2020-2021/362 dated 17-06-2020, the Cantonment Board vide CBR No. 15 dated 25-06-2020 resolved to close the slaughter house till further clearance is received from the Karnataka State Pollution Control Board. Consequently the Beef Offal Market is also to be closed in accordance with Section 284 of Cantonments Act 2006.

9. REGARDING REQUEST FOR DELETION OF SOME AREAS FROM THE PARKING CONTRACT AND REDUCTION OF CONTRACT AMOUNT DUE TO SMART CITY PROJECT.

To consider letters dated 30-05-2020,12-08-2020 and 23-06-2020 received from Shri Sagar B. Kamanache, parking fees contractor requesting for waiving off the parking fees for lockdown period, deletion of some areas from parking contract and reduction of contract amount for the reasons stated therein.

Shri Sagar B. Kamanache vide his letters dated 30-05-2020 has requested to waive off the parking fee for the lockdown period i.e. from 23-03-2020 to 31-05-2020. In support of his request, the contractor vide his letter dated 12-08-2020 has submitted the KSRTC, Central Office, Bangaluru Order dated 08-06-2020 wherein the KSRTC authority has exempted the licence fee of the commercial outlets of bus stops, advertising licensees on buses, public announcement system at bus stop and roadside hotel operators. He has also requested to delete the following areas for the reasons mentioned thereunder :-

- (i) **Kaladagi Road**
Traffic police are not allowing to park the vehicles.
- (ii) **Mutton Butcher Street**
People are not paying the parking fees. They are saying that this is a residential area.
- (iii) **32, Old Mochi Line**
Residents of old mochi line are parking their vehicles on the marked place. Hence they are not paying the parking fees stating that the area is residential.
- (iv) **North Telegraph Road**
Not much vehicles are parked.

Further he has submitted that due to Smart city Project the parking fees collection in main locations such as Bogarves near BC No. 126, Kaladagi Road, Bewoor Road, was stopped. Hence he has requested to reduce the amount of contract for such areas where work of Smart City Project has been carried out. His request made vide letter dated 30-05-2020 has been referred to the legal adviser vide this office letter No. 13/REV/82/I/153 dated 30-06-2020 to seek his advise on the request made by the contractor.

The legal advisor examined the case and vide his letter dated 24/06/2020 has submitted that the request of Shri S. B. Kamanache appears to be technical in nature, for which there can be mechanisms devised to remove the difficulties in the collection of parking fee in those areas. The Agreement to collect the parking fee, has been executed by the Board and Shri S. B. Kamanache. The Board can legally alter the number of roads at any time as per the said agreement clause No. 22.

Further he has mentioned that the request of the applicant to reduce the contract amount for the Smart City Project is valid as the same has been communicated to the Board by the Belagavi Traffic Police with regard to temporarily suspending the parking on certain roads as they are resurfaced under the Smart City Mission. Subsequently the Traffic Police are not allowing the parking of vehicles on the roads. Thus he has advised that parking collection be waived off for the period during which the parking of vehicles was suspended due to the on-going smart city works.

Regarding waiving off the parking fees for lockdown period he has stated that the request of the contractor is valid as it is a fact that lockdown was imposed on the Belagavi city to contain the spread of COVID-19 pandemic and this led to no parking of vehicles on the roads assigned to the contractor. The Ministry of Home Affairs, Government of India vide its order No. 1-29/2020-PP(Pt. II) dated 24-03-2020 intimated that the National Disaster Management Authority constituted under the Disaster Management Act, 2005 decided to classify the COVID-19 pandemic as a National Disaster for the effective Management.

Section 2 of the Disaster Management Act 2005, defines the '**disaster**' as "*a catastrophe, mishap, calamity or grave occurrence in area, arising out of natural or man made causes, or by accident or by negligence which results in substantial loss of life or human suffering or damage to, and destruction of, property or damage to or degradation of environment, and is of such a nature or magnitude as to be beyond the coping capacity of the community of the affected areas*". The order of the Ministry of Home Affairs, Government of India under the Disaster Management Act 2005, which brought the COVID-19 pandemic as under the tag of national disaster has to be read and interpreted as per the definition.

The Clause No. 25 of the Agreement entered into by the Board and Shri S. B. Kamanache provides for situations that fall under '*force majeure*' and the same comes into play in the period of lockdown. Hence he has advised the Board to waive off parking fee collection for the period of lockdown due to COVID-19 pandemic. His opinion has following conclusions:-

- a. The Board should address the technical difficulties being faced by Shri. S.B. Kamanache for the collection of parking fee from certain roads or alter the number of roads given to him for the collection of parking fee as per the Agreement.
- b. The Board should suspend the collection of parking fee for the period during which the parking of vehicles was not allowed on certain roads due to the on-going smart city road works.
- c. The Board should waive off the collection of parking fee for the period of lockdown due to the COVID-19 pandemic.

After receiving the legal opinion the matter has been forwarded to the PD, DE, SC, Pune vide this office letter No. 13/REV/82/I/153 dated 30-06-2020 to examine the case and give their valuable guidelines/advise regarding waiving of the parking fees for the lockdown period as mentioned above. The guidelines/advise of the PD, DE, SC, Pune is still awaited

Lease agreement condition No. 22 specifies that, - "If at any time during the licence period, the marked area is destroyed or damaged by fire, tempest or any other act of God or by irresistible force or by any other inevitable circumstances so as to become unfit being not available for the purpose of the licence, if the Licensee so elects, to exempt or reduce the fee in such area (s) hereby reserved a fair and just deduction of the amount thereof according to the nature and extent of the loss sustained to be ascertained and decided by the Board may be made. In case of any difference the matter will be referred to the Director, DE, Southern Command, Pune to his final orders".

As per contract agreement the contractor has to pay parking fees @ **Rs.1,60,500=00** per month. However during the Smart City Project the contractor could not collect the parking fees from Bogarves near BC No. 126, and Kaladagi Road. Approximate collection from these areas is Rs.3500/- to 4000/- per day. It is also submitted that the parking fees collection has also been reduced on Railway Bus Stand due to Smart City Project.

The matter of deleting of Roads i.e, Kaladagi Road, North Telegraph Road, 32, Old Mochi Line and Mutton Butcher Street for the reasons stated above and reducing the contract amount from the area affected due to Smart City Project during the month of June 2020 and July 2020 is brought before the Board for consideration and to take suitable decision.

Report of the Revenue Supdt. is placed on the table alongwith relevant documents.
