**EXPRESSION OF INTEREST (EOI)**

Expressions of Interests (Eols) are invited for conducting Energy Audit of Belagavi Cantonment. The details of eligibility criteria, guidelines for submission of Eols and other terms & conditions are available on the Cantt Board Office website <https://Belagavi.cantt.gov.in/>

The last date for receipt of the application is on or before 10/09/2026 up to 5.30pm.

  
(Manchalwar Sudam Harivijay, I.D.E.S)  
Chief Executive Officer,  
Cantonment Board, Belagavi

**DETAILED SCOPE OF WORK FOR CONDUCTING ENERGY AUDIT AT  
BELAGAVI CANTONMENT.**

1. **INTRODUCTION :** - The Belagavi Cantonment Board, functioning under the Ministry of Defence, Government of India, is committed to achieving sustainability, energy efficiency, and environmental stewardship in all its operation. In line with the national vision of reducing carbon emissions and improving energy performance, the Cantonment Board intends to undertake a comprehensive Energy Audit covering all major establishments and civic infrastructure within the Cantonment area.

Accordingly, the Cantonment Board Belagavi invites Expression of Interest (EOI) from qualified and experienced agencies to conduct a detailed Energy Audit and recommend implementable measures for energy conservation, renewable energy integration, and overall energy optimisation.

2. **OBJECTIVE:-**

The primary objectives Of the proposed Energy Audit are:

1. To assess the current-energy: consumption: patterns across buildings, utilities, and public infrastructure.
2. To identify inefficiencies and potential areas for energy savings.
3. To recommend technological, operational, and behavioural interventions for reducing energy usage.
4. To develop an implementable roadmap to support Belagavi Cantonment's transition towards Carbon Neutrality.
5. To provide a benchmark for future monitoring, verification, and performance assessment.

2. **SCOPE OF WORK: -**

The shortlisted agency will be required to undertake, but not limited to, the following tasks:

A. Preliminary Assessment.

Collection of baseline data on: electricity consumption -connected , load and usage . patterns. Identification of major energy-consuming establishments.

B. Detailed Energy Audit

Physical inspection and measurement of energy-consuming systems including:

- a. Administrative buildings
  - b. Schools and hospitals
  - c. Street lighting systems
  - d. Water supply installations
  - e. Pump houses and tube wells
  - f. Staff quarters.
  - g. Gardens
  - h. Markets, community halls, and other civic assets
- Use of standard energy audit instruments for data recording. Energy performance assessment of Electrical fixtures, motors, pumps, HVAC systems, lighting, and other infrastructure.

C. Renewable Energy assessment :-

Assessment of solar rooftop potential on Cantonment Board Belagavi assets, Recommendations for integration of solar/other renewable energy technologies. Feasibility analysis for hybrid energy systems.

- D. **Recommendations and Intervention Plan :-**  
Identification of low-cost, medium-cost, and high-cost energy saving measures.  
Cost-Benefit Analysis and payback period. prioritisation of interventions.  
Preparation of an implementation roadmap.
- E. **Final Reporting Submission'** a comprehensive Energy Audit Report. Presentation before the Contentment Board, Data sheets, graphs, analysis, and GIS-based inputs (if applicable).

**3. ELIGIBILITY CRITERIA :-**

The agency should meet the following minimum qualifications:

- 1. Must be an Energy Service Company (ESCO) or a firm accredited by the Bureau of Energy Efficiency (BEE), Government of India.
- 2. Must have at least 3 years of experience in conducting energy audits for government organisations or large institutions.
- 3. Must have successfully completed at least, three (03) similar assignments.
- 4. Should possess qualified Certified Energy Auditors/Energy Managers.
- 5. Should have the necessary technical manpower and equipment.
- 6. Should not have been blacklisted by any Government/PSU

**4. DOCUMENTS TO BE SUBMITTED :-**

Interested agencies must submit:

- 1. Letter of Interest on company letterhead.
- 2. Company profile including registration details.
- 3. Valid BEE accreditation certificate..
- 4. Details of key personnel with qualifications.
- 5. List of similar projects executed with supporting documents/work orders.
- 6. GST and PAN details.
- 7. Any other relevant information supporting technical capability.

**5. EVALUATION CRITERIA :-**

EOI's shall be evaluated based on:-

- a. Technical qualification and accreditation
- b. Relevant experience
- c. Organisational capacity.
- d. Quality of past performance
- e. Equipment and manpower availability .

only agencies meeting the eligibility conditions will be shortlisted for issuance of the request for Proposal (RIP).

**6. SUBMISSION DETAILS:-**

Interested and eligible agencies may submit their Expression of Interest in a sealed envelope titled "EOI for Energy Audit of Belagavi Cantonment" to the following address. Chief Executive Officer, Cantonment Board Office B.C. No. 41, Khanapur Road, Belagavi Cantonment – 590001.

**7. TERMS AND CONDITIONS:-**

- 1. The Cantonment Board Belagavi reserves the right to accept or reject any or all EOI's. without assigning any reason.
- 2. No financial proposal should be submitted at this stage.
- 3. Shortlisted agencies will be invited to participate in the RFP stage.
- 4. . Incomplete or conditional EOI's are liable to be rejected.
